

A wholesome Sunday at Sonya Lodge Residential Care Home

Most Sundays at Sonya Lodge Residential Care Home usually start with a service at our local church; a number of our residents really value these services, so we ensure they have access to take part.

For others here at the **Lodge**, Sundays are about watching some television and having a cooked breakfast. Whatever is preferred, it can be made here. Easy like Sunday morning!

This Sunday some of us attended the church service and then enjoyed a Sunday roast with all the trimmings, followed by a wonderful film afternoon, in our dedicated cinema room which we love.

To end a perfect Sunday, we enjoyed an afternoon tea with homemade pink cupcakes. *Delicious!*
