

Afternoon tea and tunes at Sonya Lodge Residential Care Home

We were delighted to treat our lovely residents at Sonya Lodge Residential Care Home to a wonderful afternoon tea on Thursday 19 August, which was kindly donated by Jukebox.

Our residents tucked into a **hamper full of lemon cake and delicious fruit scones with Rodda's clotted cream**, accompanied by live music via Zoom from talented **pianist Roger Lewin**. *What heaven!*

Everybody loved the selection of treats on offer and Jo, our Well-Being Lead, was our *'hostess with the mostest'*!

Dream clean team...

Team *'Kim and Aggie'* (otherwise known as Business Support Officer Amanda and Deputy Manager Abbie!) have stepped up to help with some housekeeping at the Lodge recently. With their badges and cleaning kit, they really look the part! *Well done ladies, you rock!*
