

## Amandas fundraiser at Sonya Lodge Residential Care Home

Last week, our Business Support Officer Amanda hosted a fundraising night for Sonya Lodge Residential Care Home. There was a black jack table and a croupier but it was just for fun, with all money being raised going to the Sonya Lodge Residents' Fund.

The setting was a stunning marquee with fairy lights and two beautifully festive trees. There was a beautiful spread of all different foods such as, quiches, sausages, pies, dips and pakoras. For after's, a Brazilian carrot cake with dark chocolate ganache, the cake adorned with edible cards, poker chips, dice, toppers and more!

Overall, Amanda raised an amazing **£420** for the residents at **Sonya Lodge**. This money can go towards their Wishlist, activities and trips out. **Thank you to Amanda** for hosting and everyone who generously donated!
