

Baby shower celebrations at Sonya Lodge Residential Care Home

Our staff member Rachel at Sonya Lodge Care Home is expecting her first child soon; it's a boy and she's already lovingly named him Archie.

We held a little **baby shower** at the Lodge on Friday 19 June, complete with decorations and some delicious (blue-themed!) homemade cakes which we enjoyed with tea.

We all loved watching Rachel open lots of lovely baby gifts. *We are excited to meet her bouncy baby boy before too long!*
