

## Balloon tennis and movie afternoon at Sonya Lodge Residential Care Home

Sonya Lodge Residential Care Home was filled with laughter and giggles as our residents enjoyed a very competitive but funny game of balloon tennis with each other.

They managed to get the balloon up with lots of volleys and only a couple of shots on target towards the activities team's heads.

After the excitement of our balloon tennis match, our residents enjoyed a movie afternoon in our cinema lounge.

The laughter continued as our residents chuckled at the slapstick humour of Laurel and Hardy, while enjoying popcorn and drinks!
