

Birthday celebrations at Sonya Lodge Residential Care Home

We enjoyed several birthdays at Sonya Lodge Residential Care Home recently, including two 90th birthdays. □

Pat and Ann celebrated their birthdays with both their families and our **Sonya Lodge** family. They enjoyed presents, cards, and lots of cake!

Wendy and Eileen celebrated their 90th birthdays just days apart;

Eileen was showered with gifts and treats and celebrated with a wonderful party with her family that took place at **Sonya Lodge**. It was wonderful to see her light up when she **celebrated with her loved ones across four generations**.

We threw a lovely party for Wendy in our **'Forget-Me-Not' Tearoom**. She invited several of her resident friends who she gets on very well with. They celebrated together over an **afternoon tea and a stunning 90th birthday cake** made by our Chef, which everyone thoroughly enjoyed.

□ *Many happy returns Pat, Ann, Eileen and Wendy!*
