

Birthday celebrations for Kathleen at Sonya Lodge Residential Care Home

Our lovely Kathleen celebrated her 88th birthday at Sonya Lodge Residential Care Home this week; she was treated like royalty, which included wearing her favourite tiara!

Everyone at Sonya Lodge helped to decorate our Home with **banners and balloons** for her special day and our Chef made a **beautiful birthday cake** that Kathleen was very impressed with. Our residents filled our lounge with a roaring **chorus of 'Happy birthday'** before helping Kathleen to eat her cake.

Our birthday girl was showered with **cards and presents** from her family and everyone here at the Lodge. She had a wonderful birthday.

Many happy returns Kathleen!
