

Birthday wishes for George at Sonya Lodge Residential Care Home

On Saturday 10 February, our resident George turned 92 here at Sonya Lodge Residential Care Home.

He had a **lovely visit from his family** the day before when he received some wonderful gifts.

His special day was spent with all of his friends at **Sonya Lodge** when he opened his **cards and presents**. He had a sweet card from everyone at the Lodge and was given a selection of goodies to enjoy including **cappuccino sachets which are his favourite!**

After tea, he was presented with an **amazing homemade cake**, courtesy of our Chefs, and everyone sang '*Happy birthday*' to him.

George really enjoyed his day, especially his coffees! *Many happy returns!*
