

## Birthday wishes for Nina at Sonya Lodge Residential Care Home

**Nina celebrated her 87th birthday on Sunday 10 September here at Sonya Lodge Residential Care Home.**

She celebrated in style as **her wonderful family took her out for a traditional Italian meal**, which of course she loved!

On her return to Sonya Lodge, Nina continued her birthday celebrations with everyone; she opened **gifts and cards** from her friends and our staff and then we all sang '*Happy birthday*' to her before all tucking in to her **delicious birthday cake**.

Our birthday girl had a fantastic day and it was special that so many of her family, friends and our staff were able to join in the celebrations with her.

*Many happy returns Nina!*
