

Burns Night and Valentines preparations at Sonya Lodge Residential Care Home

Anyone for Haggis?

We enjoyed celebrating Burns Night here at Sonya Lodge Residential Care Home on Monday 25 January, when our residents enjoyed sampling some haggis and listening to a reading of Robert Burns poems.

Valentine crafts

We've been busy getting ready for **Valentine's Day** next month too. Our residents had fun making personalised **heart-shaped Valentine's cards**, using glued red and pink tissue paper to create a stained glass window effect. They are looking forward to sending them to their loved ones in February.

Singing with the King

Two of our ladies have also had a lovely time with Elvis recently! They sat chatting together, listening to **Elvis Presley songs** and joining in. It was lovely to see them enjoying a sing along with the King!
