

Cake decorating and giant games at Sonya Lodge Residential Care Home

Sugar and spice and all things nice

Residents at Sonya Lodge Residential Care Home had fun decorating cupcakes this week. With a choice of a chocolate or vanilla sponge cake, and chocolate or buttercream icing, our ladies and gents decorated their cakes with white and brown chocolate chips, and sugar flowers and sprinkles.

Check out the double-delish designs – scrummy!

Giant noughts and crosses

Some of our ladies played a few supersized games of the classic 'noughts and crosses' game in the garden this week with our lovely Amanda. We made the most of the warm weather when the sun came out and as you can see, it was great fun!
