

Cake makers and laundry helpers at Sonya Lodge Residential Care Home

On Friday 5 February we held a cake making baking session at Sonya Lodge Residential Care Home.

Our ladies came together to create some **cornflake, marshmallow and chocolate delights** (*finger licking good!*) and decorate some **beautiful iced cupcakes** too.

And we were delighted to have so many willing helpers with our **laundry** baskets recently, when we had lots of clean laundry ready to be ironed and folded.

So many of our residents were keen to assist our laundry team and enjoyed getting involved and being useful around our **Home**. *Thank you to them all!*
