

Celebrating cheese and chocolate cake at Sonya Lodge Residential Care Home

National Cheese Lovers Day

We had a treat in store for all our fans of cheese at Sonya Lodge Residential Care Home recently when we celebrated **National Cheese Lovers Day** on Thursday 20 January. ☐☐

We hosted a **cheese tasting session** with lots of samples of various cheeses, which our residents thoroughly enjoyed.

The fun and festivities continued with a **cheese-themed quiz** with lots of smiles and laughter. *A delicious day to remember!*

National Chocolate Cake Day

To celebrate National Chocolate Cake Day on Thursday 27 January, our residents got busy showing off their baking and cake decorating skills.

They baked a **delicious chocolate cake** and then had lots of fun decorating it with chocolate ganache and sprinkles. *Doesn't it look brilliant!* ☐☐

Everyone enjoyed a well earned slice of cake and cup of tea. *Yummy!*

'Say cheese!'
