

## Celebrating National Elf Day at Sonya Lodge Residential Care Home

**We love going all out for National Elf Day here at Sonya Lodge Residential Care Home!**

Our staff were a vision of green and red as we enjoyed a day of fancy dress elf fun in support of the **Alzheimer's Society** on Friday 4 December.

***We had a competition for our best dressed elf;***

***Sally*** (with the big Elf head!) won first place, ***Jo*** came second with her delicious looking candy cane necklace and ***Wendy*** scooped third – well done elfies!

As part of the day we had some **karaoke** fun, especially our staff who love to sing to our residents!

*A brilliant day, with lots of laughs!*
