

## **Cheesecake and cookie delights at Sonya Lodge Residential Care Home**

**Our ladies have been busy baking here at Sonya Lodge Residential Care Home recently, and what delicious treats they've created!**

As a team they made two wonderful homemade **chocolate and strawberry cheesecakes** from scratch. Look at the end results – *double deliciousness!*

They then enjoyed mixing the ingredients for three different types of **cookies**, which were baked and came out beautifully.

Our ladies really do rock with their baking skills! *Watch our Mary Berry!!*
