

Chinese New Year arts and crafts at Sonya Lodge Residential Care Home

Throughout January we have been busy in our arts and crafts sessions, preparing for Chinese New Year here at Sonya Lodge Residential Care Home. ☐☐

This year will be the **year of the Tiger** and our residents have been showing off their artistic flair by creating colourful **Chinese lanterns and painting wonderful tiger pictures.**

Our residents have also created a **large fierce Chinese tiger** using red, orange and yellow silhouettes of their hands. It looks fantastic!

☐ *We love celebrating Chinese New Year together at Sonya Lodge!*
