

## Cockney Day fun at Sonya Lodge Residential Care Home

We were excited to organise a 'Cockney Day' for our residents on Friday 9 October here at Sonya Lodge Residential Care Home.

We hired two 'Pearly King and Queen' outfits with two of our residents in mind who are Londoners – they looked amazing in them!

We dressed our Home like a London street party, with bunting, Union Jack flags and pictures on the tables of London Landmarks.

For lunch we served **pie, mash and licquor** which was thoroughly enjoyed by everyone and in the afternoon we had a '**cockney rhyming slang quiz**'.

To top off the day we held a good old **London sing-a-long**, with some dancing too. *A really fun day all around!*
