

Creative construction at Sonya Lodge Residential Care Home

This week we've kept our residents' fingers nimble with some construction fun here at Sonya Lodge Residential Care Home.

The activity involved **building a wooden chair set** from separate pieces, which two of our gents got stuck into, taking great care to assemble all the parts correctly. Our birthday boy Glen loved it!

We're also holding an **Easter Raffle fundraiser** for **Sonya Lodge**, with some delicious goodies up for grabs!
