

Cuddles with PAT dog Gizmo at Sonya Lodge Residential Care Home

We enjoyed another visit from the wonderful Gizmo and Maria last week at Sonya Lodge Residential Care Home, something we all very much look forward to.

Our residents' faces lit up as they saw him arrive and without a moment's hesitation, Gizmo made his way over to them for his first lot of cuddles!

Our ladies and gents love this time with Gizmo and his **weekly visit** will often be the hot topic of conversation amongst them all.
