

## Disney Day at Sonya Lodge Residential Care Home

**We love a party and a themed day at Sonya Lodge Residential Care Home, and lots of our residents and staff also love Disney. So, we thought having a Disney themed day would be a brilliant idea – and we were right!**

We threw ourselves into everything 'Disney'. Our residents **made hats with their favourite Disney characters** on them, and we listened and sang along to a whole host of Disney songs.

Our staff team (and some residents) dressed up in **Disney fancy dress costumes** in the hope of winning the competition for the best costume. One of our residents, **Pauline, won the competition for her amazing Queen of Hearts outfit – she looked fabulous!**

Our two Queen of Hearts then got to work serving **delicious jam tarts** to our residents.

We topped off the day by drawing our **raffle for a giant cuddly Minnie and Mickey Mouse**. This was won by our Resident Liaison's five year old nephew (*who was ecstatic!*).

**We're delighted to announce that our raffle raised £93 for Dementia UK.**

*Such a fun day, supporting a very worthy cause.*

Queen of Hearts, Mickey and Minnie!

Disney party time!
