

Double birthday celebrations at Sonya Lodge Residential Care Home

Our lovely Maureen enjoyed celebrating her birthday with us on Tuesday 16 March at Sonya Lodge Residential Care Home.

She loved her **birthday balloons** and special **tiara** – and her face lit up when we presented her with an amazing sponge cake, covered in cream and fresh fruit.

We also enjoyed birthday celebrations for our resident **Ken** on Saturday 20 March. His **wife Linda** came for a special birthday visit, which was so touching as she was able to sit with Ken and hold his hand. She misses him so much, so it was lovely to see them together on his special day.

Many happy returns to them both!
