

Dreamboats and Petticoats show at Sonya Lodge Residential Care Home

We had a fantastic treat at Sonya Lodge Residential Care Home last week when the wonderfully talented Jasmine Kittermaster visited our Home to perform her 'Dreamboats and Petticoats' show for our residents.

Our residents and staff put on their **rock 'n' roll skirts and neck scarfs** to get in the mood for this 1950s party!

And what a show it was! Everybody loved **singing and dancing** along to all of the early rock 'n' roll hits from the **1950s**.

Thank you Jasmine, for such a wonderful afternoon!
