

## **Easter bonnet parade and raffle at Sonya Lodge Residential Care Home**

**To celebrate Easter at Sonya Lodge Residential Care Home, our residents said they would like to do their annual Easter bonnet parade, which has proved so popular in the past.**

We were only too happy to oblige, so our ladies and gents got to work creating some **fantastic bonnets with colourful straw hats, miniature fencing, chicks, Easter stickers and coloured straw.**

Our residents then **paraded their creations around our Home while singing and dancing** to music, which as you can imagine, resulted in lots of laughter by all taking part!

We then raffled off **three stunning Easter hampers.** Our little helper Gideon came in to help with the proceedings and presented our winners with their prizes.

**Our raffles raised £177 for our residents' fund** – this money will be spent on special activities, events and trips that are requested by our residents to enhance their wellbeing.
