

Easter egg deliveries at Sonya Lodge Residential Care Home

Our residents were very happy as the Easter Bunny made a delivery of chocolate treats for everybody at Sonya Lodge Residential Care Home.

Each of our residents received an **Easter egg of their choice** and our Recreation and Well-Being Team spread the joy around the room as they delivered the eggs to each resident, accompanied by music to dance and sing along to.

It was lovely to see such big smiles and excitement from everyone – and some fantastic dance moves too!!
