

Easter party time at Sonya Lodge Residential Care Home

At Sonya Lodge Residential Care Home, over the Easter weekend, we were very lucky to receive visits from two Easter bunnies! They arrived with many gifts of Easter treats and chocolate, which was happily devoured by everyone.

It was wonderful to see our residents' faces light up with pure joy (and lots of laughter) when the bunnies came to visit.

We then drew our Easter raffle, and were delighted to pull winning tickets for some of our residents, their family members, and some of the staff.
