

Elf Day fun at Sonya Lodge Residential Care Home

We went 'elf crazy' last Friday 6 December, in celebration of the Alzheimer's Society 'Elf Day', here at Sonya Lodge Residential Care Home.

Our residents loved the fun atmosphere and joined in with an array of elf accessories. Whilst members of our staff team were dressed as elves for the day – very jolly they looked too!

We've also been making Christmas cards, so we're all definitely feeling festive now!
