

## **Festive elves and Christmas trees at Sonya Lodge Residential Care Home**

**We all had fun on Monday 6 December here at Sonya Lodge Residential Care Home when we got busy decorating our Christmas trees, with the help of some of our residents.**

Don't they all look pretty with their different colour themes!

And to add to the festive feel, we had lots of giggles on **Elf Day** when our **Home** was alive with cheeky elves, in their best outfits.

**Wendy (Housekeeping) won best dressed Elf**, closely followed by Jo (Well-Being Lead), Rachel (Carer), Grace (Carer), Shane (Maintenance) and Sally (Dining Room Assistant) – *what a jolly bunch!*

Our residents had fun too making **personalised paper elves**, with their own faces! They look brilliant displayed as Christmas decorations.

*We're all feeling fantastically festive now!*
