

## Films, games and cocktails at Sonya Lodge Residential Care Home

**Our residents have been enjoying a variety of fun activities over the last week, filling at Sonya Lodge Residential Care Home with lots of laughter.**

We had a film afternoon and after much deliberation our residents decided on a "Carry-On" film to watch together.

While some residents enjoyed the cinematic comedic delights, other chose to bring out their competitive side in a game of giant dominoes. From laughs in one room, to serious strategic game play in another!

We also threw ourselves a Tropical Mocktail Party to enjoy the change in weather. We dressed up with flowers and grass skirts and quenched our thirst with a selection of four fruity mocktails.

*Fun was definitely had by all and we can't wait until our next party!*
