

Fun photography at Sonya Lodge Residential Care Home

We've been enjoying lots of arts and crafts recently at Sonya Lodge Residential Care Home, including paper elephant collages, crown making and magic water painting!

Our residents absolutely loved dressing up in crazy wigs and props to celebrate **National Selfie Day** on Monday 21 June. We got some great smiley shots as everyone posed for the camera!

And we celebrated **French Day**, as part of our **Around the World with Nellsar Cruises** adventure, with a lovely french themed dinner.

Our residents enjoyed **taking photographs** with our Paris photo props and Shane got into the spirit with his French fancy dress!
