

Garden fun in the sun at Sonya Lodge Residential Care Home

We've been so lucky with the recent weather and our residents here at Sonya Lodge Residential Care Home have enjoyed every bit of it!

Getting out in the garden to enjoy the blue skies and sunshine has been very popular. We've served tea and snacks outside and put up our sun shades around our tables, so we can sit out comfortably and enjoy the fresh air. It's been lovely to see so many smiling faces, relaxing and taking in the spring atmosphere.

Sun hats have made an appearance too – *let's hope the sun is here to stay!*
