

Halloween Fun at Sonya Lodge Residential Care Home

We had a great time celebrating Halloween at Sonya Lodge Residential Care Home last week, and loved decking our Home with spooky decorations.

Our **staff dressed up** and we had a competition for the best dressed. Care Assistant Gemma O'Reilly won with her fantastic witches outfit (including broomstick!), which she wore all day long! She was delighted to win a tin of Heroes for her efforts.

Other brilliant outfits included an inflatable monster, witches, a blood stained nurse, perfectly painted pumpkin and a couple of spooky characters wielding an axe and chainsaw!!

We all enjoyed some **vibrant entertainment from Chelsea Bella** who played all sorts of music that our residents could enjoy and dance to from the 70s, 80s and early 90s.

To top off the celebrations, we were treated to a **delicious spooky buffet**.

We hope you all had as much fun as we did!
