

Happy birthday Joan at Sonya Lodge Residential Care Home

Our Joan at Sonya Lodge Residential Care Home turned 93 on Boxing Day and she received lots of lovely visits from her family.

Joan received lots of pretty cards and she was spoilt over Christmas and her birthday. Joan has a very sweet tooth so she was delighted to receive lots of yummy chocolate gifts!

Joan also opened up two beautiful jumpers from her family and one of our talented Chefs made Joan a beautiful purple cake with flowers and butterflies on it.

Joan's family sang "*Happy birthday!*" and watched her blow out her candles; it was a lovely day all round.

Many happy returns, Joan.
