

Happy birthday to Elvis at Sonya Lodge Residential Care Home

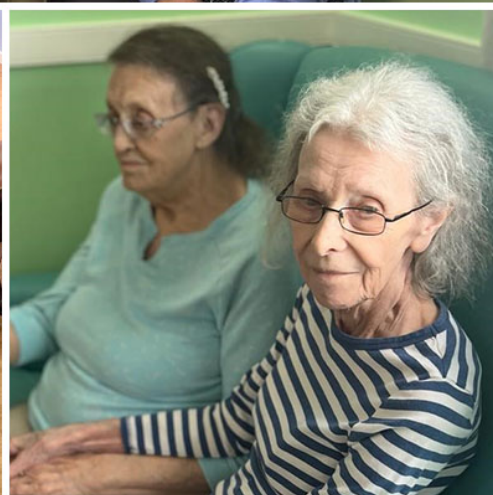

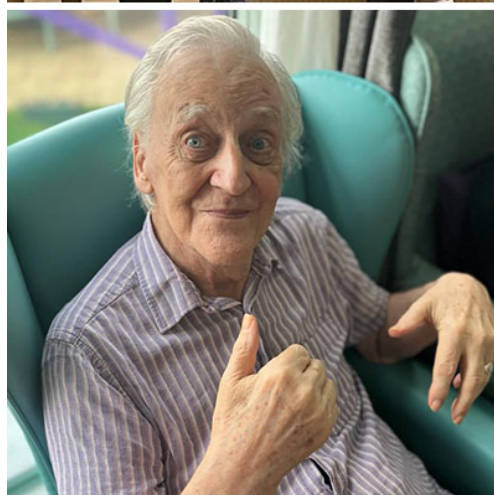

Many of our residents at Sonya Lodge Residential Care Home are huge fans of Elvis Presley and love nothing better than to have a singalong to some of his biggest hits.

We therefore felt that it was only right to celebrate his birthday (Sunday 8 January) together with the fantastic **Scott, a wonderful Elvis singer**.

Our ladies and gents loved 'Elvis' as he **sang all their favourites** and danced with them on the dance floor. He also made some of our residents' hearts melt as he serenaded them.

This was a fantastic way to celebrate 'The King' on his birthday and the party was a massive hit with all of our residents.

Thank you Scott (Elvis!) for an amazing day. Everyone had a blast!
