

Happy birthday to Kathleen at Sonya Lodge Residential Care Home

We celebrated Kathleen's birthday together recently at Sonya Lodge Residential Care Home when we decorated our Home and Kathleen's room with birthday banners and balloons to mark her special day.

Kathleen was showered with lots of **cards and presents from her family**. She also received a card and presents (chocolates and a new lipstick) from all of our staff and residents here at the **Lodge**.

Kathleen polished off her box of chocolates with a nice cup of tea and then asked the staff to put on her new lipstick; Kathleen loves her lipsticks and was keen to try her new one!

We then all sang '*Happy birthday*' to our birthday girl as we brought out her **cake**. Kathleen and our residents all enjoyed the cake together with a side helping of laughter and giggles!
