

## Happy birthday to Olga and Ray at Sonya Lodge Residential Care Home

**Olga and Ray recently celebrated their birthdays with us at Sonya Lodge Residential Care Home.**

We decorate our Home with **banners and balloons** for the birthday duo and both Olga and Ray celebrated with their **families**, as well as other residents and staff at Sonya Lodge.

They were treated with birthday **cards and gifts**, and it was lovely to see them smiling and enjoying all of the attention. Both Ray and Olga enjoyed **birthday cakes** which they shared with our residents, after receiving roaring choruses of 'Happy birthday'!

*Many happy returns to them both!*
