

Hen party fun at Sonya Lodge Residential Care Home

Another member of our Activities Team at Sonya Lodge Residential Care Home, Deanne, was recently 'tying the knot' and before her big day, our residents wanted to give her a wonderful send off into married life with a party.

We hosted a hen do with our residents, when we all dressed up with **sashes and veils** and decorated our Home with **banners**, **balloons** and **bunting**.

Our residents surprised Deanne when she arrived at **Sonya Lodge** and we got the party started with some **wedding and love themed music**.

We all enjoyed some **silly games together** which created lots of laughter amongst our residents and staff, before we all indulged in an array of **delicious cakes**.

A really fun party for our bride-to-be!
