

Ice creams all around at Sonya Lodge Residential Care Home

Our Well-Being Champions Jo and Deanne last week transformed their trolley into an ice-cream trolley here at Sonya Lodge Care Home.

The posters they proudly displayed were designed by Jo's husband Paul.

They organised tubs of ice cream, cornets, choc-ices and ice poles – all at the ready in a cool bag. They rang their bicycle bell and visited each of our residents in their bedrooms and lounge areas.

Such good fun and they went down a treat as you can see!
