

## Lent service with Jean at Sonya Lodge Residential Care Home

Each Tuesday afternoon, the lovely Jean comes into Sonya Lodge Residential Care Home to conduct a service for our residents.

A lot of **thought and effort goes into these services** and they're themed every week. As we're in the run up to Easter, Jean spoke about Lent and the meanings behind it. It was a lovely service and there are always smiles all round when Jean is here.

We sang some **beautiful hymns** together and Jean read from the bible.

*Tuesday afternoons are truly lovely at Sonya Lodge.*
