

Many happy returns to Ellen at Sonya Lodge Residential Care Home

Our fabulous Ellen turned 88 on Tuesday 14 November and she had a lovely day with us at Sonya Lodge Residential Care Home.

She had visits from her family in the week and received what looked like **a year's supply of chocolate!**

We asked Ellen what she would like to do and she said 'Sing!' – so we were delighted to fulfil her request and we sang some of her **favourite songs.**

Ellen enjoyed a **box of fudge and a beautiful card** from all her friends at Sonya Lodge and everyone loved joining in with her birthday celebrations.
