

More cuddles with Gizmo at Sonya Lodge Residential Care Home

Gizmo visited our residents again for some more cuddles at Sonya Lodge Residential Care Home this week, wearing his wonderful knitwear!

This seems to have become a favourite activity not only for our residents, but also for Gizmo!

Gizmo spent time with each of our resident for a **snuggle** and our ladies and gents showered him with **lots of love and attention**.

It is very magical to see the **connection he has with everyone** in turn; *his visits benefit our residents hugely.*

Gizmo loves spending time with us!
