

## Music to the ears at Sonya Lodge Residential Care Home

**Our resident Rosemary had so much fun dancing with her new MP3 player last week at Sonya Lodge Residential Care Home.**

The **Purple Angel Charity** has kindly donated three **free MP3 players** to our **Home** for our residents, which have been preloaded with their favourite songs.

Rosemary loves music and can often be seen dancing – she loves bopping with her MP3 player on, which is lovely to see!
