

## National Gingerbread Day at Sonya Lodge Residential Care Home

**On Monday 21 November we were very happy to celebrate National Gingerbread Day with some delicious gingerbread men here at Sonya Lodge Residential Care Home. ☐**

Our ladies and gents had lots of fun **decorating their gingerbread men** with a variety of sweets, chocolates and icing. *They created some fantastic looking treats!*

Then came the best bit; it was time for our residents to devour their scrumptious creations with a lovely cup of tea.

***Perfect!***
