

PAT dog Lois charms Sonya Lodge Residential Care Home residents

We were lucky enough to receive another visit from Pets As Therapy dog Lois and her mum Karen on Friday 22 October here at Sonya Lodge Residential Care Home.

Lois walked all the way around our **Home** visiting everyone, including our residents in their bedrooms.

She brought so much **joy** to everyone; such a **gentle** and docile lady.

Thank you Lois and Karen for coming to visit – hope to see you both again soon!
