

## Remembrance Sunday at Sonya Lodge Residential Care Home

**On Sunday 8 November, we had a day of tears and smiles whilst our residents remembered the past here at Sonya Lodge Residential Care Home.**

Remembrance is so close to all our hearts and both our residents and staff made lots arts and crafts in tribute to the fallen. Our **Home** was filled with **Union Jack bunting, balloons, poppy wreaths and pictures, and old photographs.**

Themed menu cards, poems and meaningful verses were also displayed for everyone to read and reflect on.

Our ladies and gents enjoyed a full **Sunday roast**, together with a glass of wine or two.

*A beautiful day of reminiscence and togetherness.*
