

Resident dog Roxi brings a smile to Sonya Lodge Care Home residents

There's never a dull moment when our wonderful dog Roxi's about at Sonya Lodge Care Home.

The beloved pet of our Business Support Officer, Amanda Jones, Roxi is a firm favourite with our ladies and gents, and a big part of our **Home**.

She enjoyed sitting on our residents laps and being made a fuss of. You can't help but smile when you see her friendly face!
