

Rocco brings smiles to Sonya Lodge Residential Care Home

On Saturday 2 January we were delighted to welcome our Well-Being Champion Jo and her family pet Rocco to Sonya Lodge Residential Care Home.

Rocco is a loving, gentle and kind-natured Shih Tzu and a very much loved pet in the family household.

And he was a very big hit with our residents, who enjoyed every minute of his company and loved giving him **attention** and **cuddles**.

Come back to see us soon Rocco!
