

Sonya Lodge Care Home hosts Macmillan coffee morning

We were delighted to host a Macmillan Coffee Morning Fundraiser here at Sonya Lodge Care Home on Friday 27 September.

Our residents, relatives and staff enjoyed a wonderful morning chatting over tea and coffee, and tucking into a **scrumptious choice of cakes**. We had a mixture of homemade and store bought cakes, donated by relatives, and our Manager Jean also purchased some to add to our impressive table!

Such a delicious way to raise money for a very good cause! All the generous donations we received, including £1 from each of our staff, **totalled a fantastic £226.40 for the charity** - the highest amount we have raised at this fund raising event.

We were very well supported by staff and relatives - ***thank you to everyone who came along!***
