

## **Sonya Lodge Residential Care Home creates a Stay Safe chalk rainbow**

**Our staff at Sonya Lodge Residential Care Home created an impressive chalk a rainbow at the entrance of the Lodge this week using colourful chunky chalks. The picture included two love hearts, with the message: *'Thank you Stay Safe'***

On Thursday our teams were all outside, including our lovely Manager Jean, giving a huge clap for key workers.

We have witnessed families and children stopping and looking at our masterpiece! They've even been taking photos and having fun running from end to end of our rainbow!

We are all very proud of our special tribute.
