

Sonya Lodge Residential Care Home fireworks night

We had a spectacular fireworks night at Sonya Lodge Residential Care Home on 5 November this year.

Our residents got themselves settled and comfortable in front of our lounge windows, looking out to our garden. Brian then set off a wonderful display of a variety of colourful fountain fireworks.

Our ladies and gents gasped and applauded as the beautiful bright, colourful sparks erupted from the fountains.

Everyone also devoured yummy hot dogs and delicious cups of hot chocolate to enjoy during the firework show.

It was a fantastic evening and we are all looking forward to our next firework display!
