

Sonya Lodge Residential Care Home holds coffee morning and raffle for Macmillan

On Friday 25 September our residents at Sonya Lodge Residential Care Home had an amazing time at their coffee morning, which we held to help raise awareness and money for Macmillan Cancer Support.

Our ladies, gents and staff enjoyed a fabulous **choice of cakes**, including lemon cakes, colourful cupcakes and a caramel and chocolate sensation cake no less! And lots of lovely cups of tea and coffee of course!

We also ran a wonderful **raffle**, with three fabulous hampers on offer, filled with all sorts of delicious goodies.

Our raffle winners were;

1st prize - Abbie

2nd prize - Deanne and Paul

3rd prize - our wonderful resident Jenny

We raised an impressive £251 for Macmillan, such an amazing charity.

Thank you everyone for your kind and generous donations.

We were delighted at the success of our coffee morning
